

School Based Antigen Testing Program

Next Steps

Next Steps for the CDPH School Antigen Program

Step 1

Learn about the Rapid Testing Program:

- Fill out onboarding form: <https://labsupport.powerappsportals.us/K12SchoolsAntigenTestingIntake/>
- Attend the required Information/Frequently Asked Questions session to learn more about our onboarding process (for organization lead)
Sessions are every Tuesday at 1:30pm –2:30 pm. <https://cdph-ca-gov.zoom.us/j/3859373652> or watch a pre-recorded version <https://www.youtube.com/watch?v=EW3XuaGRPNA>

Step 2

Agree to participate in the program:

- Sign a Memorandum of Understanding (“MOU”), which is a participation agreement between your school/district and CDPH. This will be sent via DocuSign within 1-2 business days after completing our onboarding form.
- Expect an invitation to set up a Primary.Health tracking software account within 1-3 business days of MOU submission.

Step 3

Assemble Team for Training

- Order the training test kits [here](#). Order at least 40 tests per staff that needs to be trained and allow 7-10 days for processing and shipping.
- Identify a “Binax Lead” at each school site and have them fill out a form [here](#).
- Identify additional team members who will be trained to help check-in students for testing on Primary.Health, observe self-swabbing, run the antigen tests, and log the results.

Step 4

Enroll in Primary.Health Tracking Software

- Create your organization's profile on Primary.Health
